

NOTICE

Due to precautions related to COVID-19 (Corona virus) and recommended social distancing, the Greenlee County Board of Supervisors will conduct their bi-monthly meetings via Video Conferencing through Zoom.com until further notice.

At the time the meeting notice is posted in accordance with Arizona Open Meeting law, instructions on how to join the meeting remotely and a link to join the meeting will be posted on the notice.

During this unusual time, members of the Board of Supervisors and necessary staff will not be present in the Board meeting room. The meeting room will, however, be open to the public and the Video Conference of the meeting will be projected on the monitors for public viewing. Members of the public wishing to attend the meeting in person will be permitted to be present in the board meeting room, however, we request that social distancing of at least six-feet be observed. Where possible, we encourage participants and members of the public to join the meeting remotely rather than in person.

If you would like to address the Board during “Call to the Public”, you may do so as a participant on the video conference, or if you are in the room, you may approach the podium and you will be recognized by the chairman. In order to facilitate an orderly meeting, three-minute time limits will be strictly observed. If you wish to participate in “Call to the Public” via video conference, you may wish to submit a request following the instructions for Request to Speak below prior to the start of the meeting to ensure your participation is not missed.

If you wish to address the Board on a specific agenda item, please complete the [Request to Speak form](#) on the Greenlee County Webpage greenlee.az.gov. Click on “Notice of Public Meetings” to find this Notice and the Request to Speak button to [access the form](#) prior to the start of the meeting. The chairman will consider your request at the appropriate time. Again, a three-minute time limit will be strictly observed.

If you have questions about how to access the Board meeting or if you encounter difficulties when you attempt to join the meeting, please contact 928-865-2072.
