NOTE: Adjustments to Fire District requests must frequently be made due to variations that occur between estimated and actual revenue, cash balance, or assessed values. In addressing these, the Greenlee County Finance Office will consider the proposed or adopted budget (1) as the controlling factor, followed by the estimated property tax levy (6).

Minimal consideration will be given to the property tax rate generated unless the statutory rate of \$3.25 per hundred dollars of valuation is exceeded.

Should the District desire a maximum rate below the statutory level, the following information must be provided:

Maximum rate desired \_\_\_\_\_ /hd

Greenlee County is is not authorized to adjust the District Budget and Property Tax Levy amounts to achieve this maximum rate.
